Vatic Note: And we think this won't happen here? I can just see Texas now... streets littered with bodies. Who would have ever thought anyone could do what they did? I honestly have to admit that I was, not only completely ignorant of this, but of what "True evil" really is, until 9-11. I thought I knew, but found out I was seriously wrong. This is one of the reasons I do what I do.

There is no way, we should allow ourselves to be manipulated into doing anything else to these people in such a gruesome way. If we do than we deserve what ever we get. Never let the PTB pit Muslim against Christian or Palestinians against Americans and that includes all Middle east countries against Americans. Or Americans against Arabs and Muslims. Now that I think about it, that goes for right against left and vice versa.

Until you can experience or see the results of such evil, there is no way to comprehend something you have never experienced; mans' unfeeling inhumanity to man. Here is an example of what I mean... This experience is what sent me down the rabbit hole that landed me on this blog & studying the protocols of the elders of Zion written long before this happened, outlining their intent to do exactly this decades before they actually did it. How can anyone look at this and not understand true evil does exist.

How Israel came about and was reported back in the late 40's early 50's is completely different than what the research proves, did happen. You can guess my shock when I discovered all this in the past 11 years. I suffered deep, severe, cognitive shock, got nauseous, vomited, had the shakes, and could not eat for the rest of the day. I have gradually gotten desensitized to these atrocities and thus was able to accept that Israel did 9-11. No wonder, dispora and other Jews do not want to relocate to Israel. I do not blame them one bit.

Those real Jews who did relocate to Israel were **used and abused as slaves**, (VN: scroll down past the 10 questions and read about this) to build the nation, and many returned to the Arab countries they came from, like Iraq and Iran. What truly proves these Israeli's are not real, is the fact they are willing to nuke Iran, knowing full well, it has the largest Jewish population in the middle east outside of Israel. How could they willingly kill millions of their own people after what they had already been through. These true Israelites said they were never included in the sense of family of Israel and knew these pagans were not the returning dispora Jews, rather the Ashkenazi Jews who had no claim upon the land, so they left Israel to the Satanic Khazars, and went back home to Iran and Iraq.

The Khazars were there to profit from it, rather than reclaim a homeland. Israel is now more a headquarters for their international mafia, engaged in criminal activities, than it is a true homeland, otherwise how could they dig up the Israelites revered sages, to put in parking lots for profit and gain? You read and decide for yourselves.

Evidence of Israeli Mass Murder Discovered

<http://sjlendman.blogspot.com/2013/06/evidence-of-israeli-mass-murder.html>

by Stephen Lendman, June 3, 2013

On June 1, **Press TV** headlined "Mass graves from 1948 war discovered in Jaffa."

Palestinian Jaffa is now Tel Aviv's Jaffa municipality. Six mass graves were discovered. They contain remains of at least hundreds of Palestinian victims.

These and other questions remain unanswered. How many more mass graves are yet to be discovered? How many never will be found? How many thousands of dead Palestinians remain hidden? How many loved ones were lost? How many surviving family members couldn't bury

them respectfully?

Why have responsible Israelis remained unaccountable? Why hasn't the official historical record been set straight? Why don't lost Palestinian lives matter?

The Nakba was one of history's great crimes. Much about it is known. Israeli historian Ilan Pappé documented it. His book titled "The Ethnic Cleansing of Palestine" explains. More on that below.

On May 29, the al-Aqsa Foundation for Endowment and Heritage reported the mass grave discovery. An official said it came after ground caved in while workers carried out renovations.

According to Islamic Movement in Jaffa's Sheikh Mohammed Najem:

"During repair and maintenance (Kazkhana cemetery) work, we discovered nozzles to dig into the ground where we found mass graves."

They included "hundreds of skeletons and human remains of rebels, martyrs and civilians who perished during the Nakba."

"The Kazkhana cemetery has exposed the historical facts that Israel has tried to hide and erase for over 65 years relating to the massacres committed by Zionist gangs during the 1948 Palestinian Nakba."

"These mass graves have banished all doubts of the certainty of oral histories collected by historians of people who lived through the Nakba of 1948 and parts of the war documenting massacres in Jaffa and its suburbs."

"The foundation will continue to conduct research and scientifically test the remains to send media messages to the whole world that Israel is built on the skulls of the Palestinian people."

Eighty-year old Atar Zeinab was teenaged at the time.

"I carried to the cemetery 60 bodies during a period of three or four months," he said. "We used to find the people in the street, and most of the time we didn't know who they were."

Bodies were dumped on top of each other. *"We carried them early in the morning or in the night,"* he added. *"We put women, children and men in the same place. Nobody prayed for these people."*

Israel wants them dead and buried out of sight and mind. It wants one of history's greatest war crimes whitewashed from the historical record. It wants historic Palestine exclusively for Jews.

It wants a Greater Israel established. It wants land in bordering countries stolen. It wants their people banished, slaughtered or exploited. It wants other Middle East/North African countries balkanized for easier control. (VN: well, we already know that since that is exactly what has happened over the past couple of years. What this kind of information has taught me is that we, the American people, have to change the way we see things and how we think, if we are ever going to successfully deal with these people. When dealing with true psychopaths, nothing will work that fits within our normal paradigm for dealing with criminals. We must make a decision, "Do we want to succeed and reclaim our country, or do we want to end up like this photo above?" Its a legit question and the answer, I am afraid, will probably change your life, one way or the other, and that of your families.)

It wants unchallenged regional dominance. It believes might justifies right. On November 2, 1917, UK Foreign Secretary Arthur James Balfour's Declaration "establish(ed) in Palestine (a) home for the Jewish people."

Doing so made Nakba slaughter possible. Pappe documented Israel's master plan. War without mercy was launched. Genocidal ethnic cleansing slaughtered or displaced about 800,000 Palestinians.

Over 530 villages were destroyed. So were 11 urban areas in Tel Aviv, Haifa, Jerusalem and elsewhere. Israel stole 78% of historic Palestine. In 1967, it took the rest.

In 1947, the UN declared Jerusalem an international city. It remains so under a UN trusteeship. Israel claims it as its exclusive capital. It does so lawlessly. It spurns most all vital rule of law principles. It mocks democratic values. It's done so from inception.

UN Resolution 181 called for an Independent Arab state by October 1, 1948. All governments were told to "refrain from taking any action which might hamper or delay" its establishment.

The Security Council was mandated to take "the necessary measures as provided for in the plan for its implementation." Doing so was to assure "a just and lasting peace...."

Israel intervened belligerently. Leaders able to prevent it did nothing. Some offered support. Peace remains elusive. Palestine's still occupied. Millions of oppressed Palestinians await justice. Diaspora ones can't return.

Genocidal war crimes remain unaccountable. Daily crimes against humanity compound them.

Washington and other Western countries aid and abet them. International tribunals ignore them.

Zionism's 19th century inception began things. In 1895, founder Theodor Herzl said:

"We must expropriate gently the private property on the state assigned to us. We shall try to spirit the penniless population across the border by....denying it employment in our country."

Detailed information on all Arab villages and urban communities was compiled. Doing so let Zionists know what to colonize and where.

Palestinian leaders were targeted for elimination. In 1947 and 1948, they were arrested and summarily executed. After ethnically cleansing Palestine, David Ben-Gurion said:

"We have come and we have stolen their country....We must do everything to insure they never do return."

Years earlier, he wrote his son, saying, *"We will expel the Arabs and take their places....with the force at our disposal."*

He did it by depopulation, mass slaughter, and erasing centuries of Palestine's landscape, proud history and culture. It remains in the collective memories and consciousness of survivors and offspring.

Israel exploits the Jewish holocaust. Former Israeli official Abba Eban once said *"There's no business like Shoah business."* It explains the myth of unique Jewish suffering.

Ignored is how Israel treats Palestinians. It's been ongoing over 65 years. It shows no sign of ending.

Hundreds of thousands of Palestinians perished. Millions suffer today.

Crimes of war, against humanity and genocide remain unaccountable. Palestine's liberating struggle continues.

They were expelled from their own land,forced into slavery,thus the Jewish Holocaust,the UN allows them back into their BIRTHRIGHT,Jerusalem always being their capitol,the holy site ordained since they left slavery from Egypt,how do you know who is Muslem and who is Jewish,from pics of old bones? Couldnt they be part of the Jews killed from when they were under captivity,forced AGAIN into slavery by Germany ? How were they supposed to get their land back? And how do you know who is fake and who is real Jew when they have no temple to pray and offer sacrifice for their sins? They did no more than what the white people from England came over and massacred Indians in America. Its ALL wrong,so why point the finger only at them? The whole world is guilty of War Crimes...God have mercy on us ALL!

You are so correct. It is all wrong.

However we can only deal in the present and future. What the Zionists are doing globally is nothing more than terraforming humanity into their version of slavery.

Regardless of where they are from and what book they follow. They are today's global enemy.

There never was a Palestinian people or a nation called Palestine. The Arabs invented the term after the fact. The so-called Palestinians lived mostly in Jordan and Syria. Yasser Arafat, the former Nazi trained leader of the so-called "Palestinians," was actually an Egyptian!

Silly hyperbole, next you'll quote a "land without a people blah blah. JEW LIES."

Here: Jewmerica, Das land der angst, die juden sind unser ungluck.

AmeriKa was firmly declared occupied with Kennedy assassination. Johnson, jew along with his criminal cohorts in u.s.gov.jew/zionist have all helped springboard Israhell with UNDECLARED nukes, UN, a Jewish construct, to subjugate goyim planet earth to JWO. Anybody not brainwashed can research all this.
