Shaded areas are "insets" (overlays) to the timeline. Non-shaded areas belong to the timeline (the chronology).

Rapture #1 took place in the first century (Matt. 27:52). Those who were raptured now "sit under the throne" (seal 5)

Rapture #2 takes place at Armageddon (Rev. 19:11). Those raptured will sit on thrones in the throne room in heaven (Revelation 20:4-6).

Rapture #3 takes place at Gog 2 (Rev. 20:7-8). The bride continues on here on earth, and then goes through the Ingathering.

An ingathering takes place after Armageddon. However, there is a possibility of an "early ingathering" prior to the great tribulation.

Rapture #4 takes place at earth's destruction (Rev. 20:11), when those who are still alive are caught up, and are transformed "in a twinkling."

Seals 	The first four seals release forces. White Horse = Christianity Red Horse = Marxism, Democracy (Populism) Black Horse = Banking, heartless capitalism (Fed, IMF, Rothschild's, et al.) Green = Islam and Islamic terror				Seal 5 More have to die before the martyrs will be avenged.	Seal 6 Societal quake, stars fall, sun black, heaven departs like a scroll (prob. nuke)	144,000 are sealed, to protect them against the trumpets.	Seal 7 Silence in heaven ½ hour. Pope sets up throne on the temple mount.
Trumpets 	The trumpets represent the tribulation (per se). 7 year period. The first 4 trumpets represent generalized destruction. This is symbolic of how Christian and Jewish believers are weakened before the NOW's United Religion (URI). The last ½ of the tribulation is Jacob's Trouble. This will affect the entire globe, but the destruction will likely be far more intense in the land of Israel.				Trumpet 5 Locusts torment all but the 144k for 5 months WOE 1	Trumpet 6 200 million man army kills 1/3 of men. 7 thunders take place, but are sealed up) 7 Thunders WOE 2	2 Witnesses. Outer Court anti-messiah's temple trodden underfoot 42 months. Two Witnesses die, are resurrected.	Trumpet 7 Societal quake. Heaven departs like scroll (nuke) Reign of YHWH begins. WOE 3
Thunders 	The 7 thunders are part of trumpet 6 (woe #2). We do not know exactly what takes place as part of the 7 thunders, because they are sealed up. The 7 thunders take place during the second half of the tribulation period, which is the time of Jacob's Trouble.				7 Thunders are a part of Seal 6, which is itself part of the Time of Jacob's Trouble.			
Chapters 12 thru 14 are inset into (or "overlaid onto") the timeline. They do not belong to the chronology. They bring in additional details (and additional themes) that help us to understand the storyline better. The woman and child of Revelation 12 is a past fulfillment (Israel/Miriam and Yeshua).					Revelation 13 describes how the Beast is made up of Rome and Islam. The "Mark of the Beast" is allegiance to the beast. Revelation 14 describes the grain harvest, and the wine harvest (of believers). The cups are filled with the blood of those who are killed during the tribulation.			
Cups/Bowls 	Trumpet 7 opens/introduces the cups. The cups may take 30 days to play out. These are "the cups of wrath," filled with the blood of the saints, who are killed in the tribulation (and especially during the time of Jacob's trouble). The cups will be poured out on Gog and his armies at Har Megiddo (Armageddon).				Cups are Yahweh's judgment.	3 unclean spirits come from mouths of the dragon (Satan), beast (Rome), and false prophet (Mo.), and these lead the world's armies to Armageddon	Cup 7 Jerusalem divided. Islands (national borders) flee, mountains (governments) not found. Societal collapse.	
Chapters 17 and 18 are inset into the timeline, and describe the harlot (Catholic Church) as well as the grain harvest, and the wine harvest.					Chapter 19 is when Yeshua returns with His saints, to smite the armies of the world at Armageddon/ This is also Gog 1 (Ezekiel 39). This is also the wedding feast. He then takes His bride back up to heaven (rapture 2).			
Millennium 1,000 years.	Yeshua returns at Revelation 19:11, and smites the armies of Gog and Magog. This is the wedding feast. Armageddon = Gog 1 (Ezek 39) = Wedding Feast. All those who sleep in Yeshua go with Him (Rapture 2) (Rapture 1 was in 1 st century, compare at Matt. 27:52) Ephraimites who live are now married (Hoshea 2:20) Ephraim's restored knowledge of who she is may lead to the Ingathering, but first the Ephraimites will go to the "Wilderness of the nations" (Ezekiel 20:35), where those who disobey Torah will be purged.				Millennium (1,000 years). Tanach Prophecies play out. Those who were raptured with Yeshua sit on thrones with Him, in the throne room (in heaven).	Satan released at Revelation 20:7. Gog 2 (Ezek 38). (Compare to Genesis 19:24.) Yeshua returns to destroy them. Those who sleep in Yeshua go with Him at that time (Rapture 3). Those who are alive continue on.		
The earth continues a little while after Gog 2. This is foreshadowed by the 8 th Day Assembly (Shemini Atzeret), which says we will be "held over" a little while. At some point, Yeshua returns, and all those living are transformed "in the twinkling of an eye." This is rapture #4. At this point the earth is destroyed, and we go to the white throne judgment.					After the white throne judgment, we go to the new Jerusalem/new earth.
