**There are many sites on the Net debating  
the meaning of the Denver Airport murals.**

**This is probably the scariest...  
... because it could be the truth.**

**Children all over the world bringing the German boy their  
swords as he beats them into plowshares. Note the dead  
antichrist and the two doves on his rifle.**

sword, children are dying.

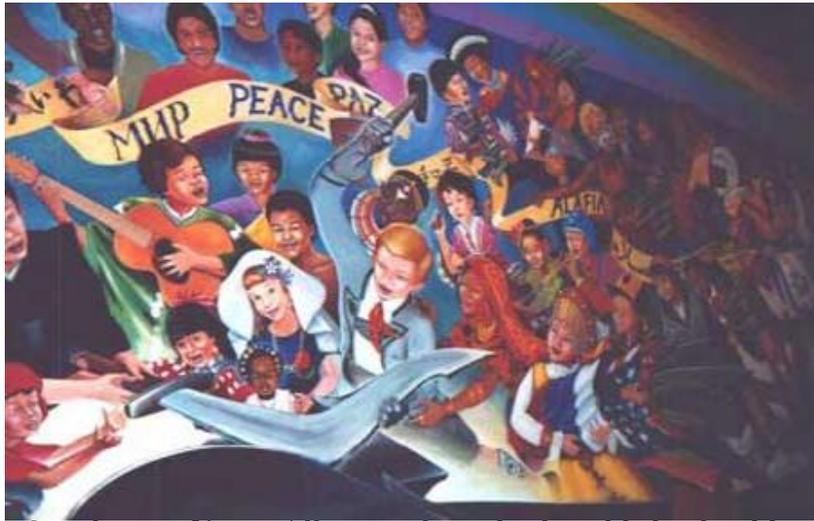

**Better view of the tall masked (gas mask) antichrist figure.  
Note dove sticking to tip of sword. Note the dying children  
and grieving mothers to the left.**

**Same scenario but note the Cub Scout in the middle, representing the United States. Not to mention, Israel (note the Israeli flag to the right in the above photo).**

plowshares. Note: All countries submit to his leadership. He uses an iron fist and "Thor's hammer" to beat them into this form of symbolic peace.

"But in the last days shall come to pass, that the mountain of the house of the Lord shall be established in the top of the mountains, and it shall be exalted above the hills; and people shall flow unto it. And many nations shall come, and say, Come, and let us go up to the mountain of the Lord, and to the house of the God of Jacob; and He will teach us of His ways, and we will walk in His paths: for the law shall go forth of Zion, and the word of the Lord from Jerusalem. And He shall judge among many people, and rebuke strong nations afar off; and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up a sword against nation, neither shall they learn war any more." Micah 4: 1-3 (Also, Isaiah 2:2-4)

*The boy beating the swords into plowshares is from Germany. Why would a German boy assume the duties of our Redeemer, Jesus Christ?*

**"It's a fortunate thing for governments that men don't think."**  
~Adolph Hitler

The Big Lie technique...

**"The primitive simplicity of their minds (the masses) rend them more an easy prey to a big lie than a small one, for they themselves often tell little lies but would be ashamed to tell the big ones.**

**...The victor will never be asked if he told the truth...**

**Success is the sole earthly judge of right and wrong.**

**People will accept a lie if it's big enough and truth is not as important as success."**

~Adolph Hitler  
"Mein Kampf"

*Also, here is wisdom for those who do not understand the role of the Antichrist and his great sword...*

**"And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword." Revelation 6:4**

What is this great sword? It's the **Sword of Destiny**. Hitler once held it, as did many great world leaders, including Constantine, Charlemagne, Kaiser Wilhelm, the Hapsburg Emperors and others. What does it have in common with Excalibur, King Arthur's legendary sword? Both are supposedly the spear tip that pierced Jesus' side on the cross. Jesus was the rock or the stone formed without hands that would one day destroy all kingdoms when He sets up His Kingdom on Earth. (Daniel 2:34) Legends state that the sword taken from the stone would make the man who wielded it, "King of the World." If he loses the sword, he loses his power over the world. Remember, Hitler died just hours after he lost possession of this very sword. This sword remains to this day in a museum, the Hofburg Treasure House, in Vienna, Austria. When Jesus rules on Earth during the millennial reign of peace, He'll rule with a rod of iron. The Roman sword (spear tip) that was used to pierce His own side, is made of iron. Did you know that this is where that legend was born? Jesus will rule with the very sword used to pierce His side as His own sceptre.
