**BREAKING: Paris Double Siege Ends in Suspect Deaths, New 'Anti-Semitic' and 'Al-Awlaki' Narratives**

21st Century Wire says...

A manhunt is underway after 12 people are said to have been shot dead at the headquarters of French satirical magazine **Charlie Hebdo** in Paris – but is there more to the story?

### Planned Attack

We're told that the main office of the Charlie Hebdo was attacked within two hours after they posted an image depicting so called 'ISIS' chief-cum-actor, **Abu Bakr Al-Baghdadi**, with the message "best wishes." The **BBC** and other bid media outlets were quick to capitalize on Charlie Hebdo's *uncanny* Tweet, conjuring the fear based propaganda surrounding the new terror brand.

Here's the Charlie Hebdo tweet that is said to have contributed to the shooting attack...
